*Lincrusta
Walton*

INDESTRUCTIBLE

AND

IMPERISHABLE,
WATER-PROOF,

Possesses high
Sanitary Properties,

Sold in Rolls, Modest in
Price, and as easily
mounted as Wall Paper.

A new era in Wall and Ceiling Decoration is inaugurated by the introduction of this new material, the designs of which are *all* in solid relief, thus giving the infinitely various effects produced by light glancing on raised surfaces. This discovery gives to mural work in relief the same facilities for unlimited reproduction which ornamentation in one plane has hitherto enjoyed.

Lincrusta Walton is capable of an extra embellishment in Oil Color, or Gold, Silver and Bronze Gilding, presenting a florid decoration of exquisite beauty.

Charming Panels, Mouldings and Friezes in *alto relievo* in various natural body colors have the appearance of carving in hard and soft woods, stamped leather, terra cotta and many other materials employed in high relief.

MESSRS. BECK & CO., *Sole Agents.*

Specimens of Lincrusta Waltons, plain or decorated, can be seen at 41 Union Square, or at Messrs. Beck & Co. Retail Department, 206 West Twenty-ninth Street. Descriptive Pamphlet forwarded on application.
